Said motion shall be considered a modification to the confirmed plan and served accordingly.

Debtor's also assert an affirmative claim for bifurcation of the mortgage pursuant to 11 USC § 1322(b) and 506(a) as the loan provisions secure debts and amounts other than the Debtors' residence. The Debtors' position is that this loan was made in violation of numerous lending laws and is a spurious Home Equity Line of Credit. The trustee will collect and hold \$549.00 of each monthly payment as adequate protection for Creditor's claim pursuant to 11 USC § 1325(b)(2) and (5), until the validity and extent of the Creditor's claim is determined. If this case is dismissed prior to the resolution of the Creditor's claim, the net amount of the adequate protection funds in the hands of the trustee shall be paid to the Creditor. The balance of any undistributed funds or any funds unaccounted for from the resolution of the Creditor's claim will remain in the plan for distribution by the trustee pursuant to the Debtors' Plan and/or order of this Court. The Debtors will file the appropriate objection to claim and motions as necessary. Any adversary proceeding will be filed within 60 days after confirmation of the plan.

(B) ☐ **Surrender of Real Estate** - Debtor(s) hereby surrender the real estate property located at [Property Address](#). (D) ☒ **Relief From Stay** - If at any time during the Plan a mortgage holder obtains relief from stay on the real estate located at 105 Johnson Trail, Dayton, OH 45418, the Trustee shall discontinue all payments to the creditor and all other lien holders PNC Mortgage, PNC NE ER, Huntington National Bank and Montgomery County Treasurer on their claims under the Plan.
